## CAREER OBJECTIVE

Entry-level Software Developer with a strong foundation in Python, JavaScript, and web development. Skilled in building responsive user interfaces using HTML, CSS, Bootstrap, and React JS. Seeking an opportunity to apply problem-solving skills, learn industry best practices, and contribute to scalable software solutions.

## EDUCATION

### Bachelor of Technology in CSE - Data Science

2020 – 2024

Kakinada Institute Of Engineering And Technology

### Intermediate College - MPC

2018 – 2020

Sri Chaitanya Junior College

### Secondary School - Class X

2017 – 2018

Geetanjali Public School

## PROJECTS

- **ShopEase E-Commerce Frontend Application**

Built a responsive e-commerce web application using React JS, HTML, CSS, and JavaScript. Implemented reusable components, product listing, cart functionality, and client-side state management to enhance user experience.

- **StudentManager CLI-Based Record Management System**

Developed a Python-based command-line application implementing CRUD operations using functions, loops, and basic data structures.

- **Personal Portfolio Website**

Designed a responsive personal portfolio using semantic HTML and CSS to showcase projects, technical skills, and contact details.

## TECHNICAL SKILLS

**Programming Languages** Python, JavaScript

**Web Technologies** HTML, CSS, Bootstrap, React JS

**Tools** Git, VS Code

## EXPERIENCE

- Virtual Internship in Exploratory Data Analysis (Edunet Foundation): Performed data preprocessing, visualization, and insight generation using Python.
- Class Representative, facilitating coordination between students and faculty.

## EXTRA-CURRICULAR ACTIVITIES

- NSS Volunteer, actively participated in social initiatives and community service programs.
- Volunteered in college cultural events, supporting coordination and logistics.

## DECLARATION

I hereby declare that the information furnished above is true to the best of my knowledge.
